

Here are some ways that kids under 18 can help!

- Decorate a big box with animal pictures and place this box in a store or public area (as long as you have permission from the owner or manager). Attach a sign to the box that asks people to donate dog, puppy, cat, or kitten supplies to the Baypath Humane Society. See our [Wish list](#) on our website.
- Make a [braided fleece toy](#) for the animals or a [no-sew fleece blanket](#).
- Post copies of our [Wish list](#) in your school or neighborhood. Or, return cans for deposits, and then use the money to purchase something from our Wish list.
- Create a “coin collecting” event in your neighborhood, school, library, or scout troop. Drop off the rolled coins at Baypath Humane Society.
- Have a [dog biscuit](#) and [cat treat](#) bake sale, and donate the proceeds.
- Create bookmarks with humane messages to use in your classroom, hand out at libraries, or give away through local bookstores.
- Ask your church, temple, scout troop and other organizations to hold collection drives and special fundraisers (bake sales, car washes, yard sales, etc.) in support of Baypath Humane Society.
- Collect cans from friends and neighbors and recycle them and donate the proceeds to an animal shelter.
- Using the pictures on Baypath’s web site, make posters that you can hang on bulletin boards at your school, library, grocery store, and other public places.
- Help an elderly or sick neighbor or friend take care of their pets.

We are grateful for your help, but we need you to follow a few rules:

- Be sure to get our permission before organizing any kind of fundraiser and before using Baypath Humane Society’s name in any publication.
- When delivering proceeds from an event, don’t forget to tell us what you did and who organized your project!
